"PART-TIME" MONEY

Stabilization Director Fred Vinson emphasized the need for a close watch on the "nervous" or surplus dollars that are a constant threat toward inflation.

Vinson suggests three means of keeping such money out of mischief: higher taxes, increased output of consumer goods, more War Bond purchases.

However, Congress has shown itself in no mood to further increase taxes, and the War Production Board turned thumbs down on more consumer goods except for certain small items that will not interfere with war production. That leaves suggestion No. 3—more War Bonds. And that prompts the question: Why not?

The fact that the American people have put billions of dollars into War Bonds does not alter the fact that they still have billions more that can be invested for this patriotic purpose. But to buy a bond is but the first step. The next and even more important step is to hold it.

When an individual buys a War Bond only to redeem it shortly after, his money is of no value to the war effort. What is more, he wastes the time and money of banks and other agencies which willingly handle the sale of bonds for the Treasury entirely at their own expense. However, if funds must be had Federal Reserve banks can cash your War Bonds. If you ask your local banker to send a bond to the Federal Reserve Bank for you, as many people do, you should expect to pay him a small fee for this service since it entails a good deal of clerical work and responsibility, and adds to the many duties he is already performing for the war effort.

But, the important thing is, hold on to your War Bonds until maturity. "Part-time" money will not win the war.

"Smiling" Desserts

"Smiling" desserts are those that bring smiles to the children of the home, the adult members of the family or the members of your Bridge club or Sewing Circle — desserts that appear so attractive that they bring smiles of anticipation even before the food is tasted.

Here is a dessert of this kind. Easy to make, economical, delicious and healthful. No need to worry about ration points. Merely serve it and watch the smiles:

Airplane Rennet-Custard

2 cups milk (not canned)
1 package vanilla rennet powder
Spiced jelly strings
Peanut butter topping, if desired

Set out 4 or 5 sherbet glasses. Warm milk slowly, stirring constantly. When COMFORTABLY WARM (110° F.) not hot, remove at once from heat. Add rennet powder and stir quickly for a few seconds only. Pour at once, while still liquid, into individual dessert dishes. Let set until firm — about 10 minutes. Chill.

To make airplanes, use one whole jelly string for the fuselage, cut one in half for the wings and stick on sides of fuselage at one end, and cut ends off another one and stick at other end for tail. Place an "airplane" on top of each rennet-custard just before serving; or perch plane on a small mound of peanut butter topping made as follows: Cream 1 tablespoon butter until soft and smooth, and blend thoroughly with 1 tablespoon peanut butter and 1 tablespoon strained honey, with a dash of salt. Use mixture while fresh, as it hardens when chilled. Makes 4 or 5 servings.

EDWARD J. DENNIS For CITY COUNCIL

Expressing the belief that the working people are entitled to a voice in the government of Daly City, Edward J. Dennis, recording secretary of the San Mateo County-San Francisco Milk Wagon Drivers' Union, A. F. of L., has announced his candidacy for councilman at the city election of April 11. He seeks one of the two posts to become vacant this year.

In entering the race, Dennis declared he is an independent candidate, and not supported by any special group or faction motivated by selfish interests. He pointed to the fact that he is a native of the city, and long has been interested in its welfare.

"My decision to seek the office of city councilman," Dennis said, "was made following the insistence of many residents of this community, who know of my interest in public affairs. This city is made up largely of working people, and it seems only right they should have a voice in its government. I am interested in good, fair and impartial government for all the people, and in the progress of Daly City now, and in the days to come.

"All communities, especially ours where there are so many working people, should start immediately to plan for the post-war period, when many of our friends and neighbors will be returning from the armed services to again take up peacetime pursuits. Unless we do plan for the future, we may find ourselves in critical circumstances when the war boom has ended.

"This month many of us will feel the pinch of stiff federal income taxes, necessary to win the victory. However, in times when our federal government must impose high taxes, local taxes should be kept at a minimum consistent with good public service, to enable taxpayers to meet the federal burden. As councilman I shall strongly advocate this principle."

Dennis was born in Daly City 35 years ago, and educated in the public schools here. He has been in the milk business the past 15 years, 12 of which were spent in this community. In addition to his union office he has been honored as delegate to international conventions in Washington, D. C., and to several state conventions in California. He is married and has two children. He is engaged in essential industry and has taken an active part in civilian defense.

B. L. (Bert) MERITT For CITY COUNCIL

Burton L. Meritt, prominent civic leader and business man, has filed nomination papers for election to the post of Daly City Councilman at the election to be held here April 11. He has been a resident of the community for 20 years, and is active in many public endeavors.

Meritt declared many business people and other residents are sponsoring his candidacy, because of what he brands general dissatisfaction with the service rendered the city by the two incumbents whose terms expire this year. He charged citizens generally have grown tired of the "do nothing" policies of public officials, who have been in office long enough to reveal their attitudes.

"After public officials have served two or more terms in office," Meritt said, "people have a fairly good insight as to what they can expect from these officials in the future. I would not be a candidate for this office unless I was convinced of the general dissatisfaction on the part of our people toward the outgoing councilmen. It seems to me these are critical days, and even more critical days are ahead for this country, this state and this city.

"Since the war industry has brought many new residents to our community, it is apparent we must look to the time when war industry will be over, and our boys return to resume civilian activities in the post-war era. Every city worthy of the name already has started preparation of a post-war program. Daly City has done nothing. Perhaps we can better understand this when we look to the record of the two councilmen at issue, only to find a long series of opposition votes to constructive moves for the betterment of Daly City.

"Either a community progresses, or it goes backward. It never stands still, and it does not progress under the administration of public officials more interested in politics and patronage than in civic endeavor. During this campaign there are many important issues I will discuss, and I am confident when the people realize the true state of affairs, their action will be definite and decisive."

Meritt is a member of the Daly City Fire Department, Company No. 1, and the Veteran Firemen's Association. He heads the Sea Scouts in this area, is past president of the Fraternal Order of Eagles, and a director of the Lions Club. In civilian defense work he served as an instructor in first-aid. He is 40 years of age, married and has two children.

Julia tells How to make good things with cereals

I LOOKED into my pantry the other day, and noticed the imposing array of packaged cereals which filled a whole shelf. It reminded me that there's an amazing number of good things to be made with cereals. Of course they're part of the normal breakfast—but how long has it been since you've made, for instance:

HONEY BRAN MUFFINS

2 cups enriched flour	1 egg
2 tsps. baking powder	½ cup strained honey
¾ tsp. salt	1¼ cups milk
2 cups bran	1 tbsp. melted shortening
¾ cup finely chopped walnut meats	

Sift and measure flour; sift with baking powder and salt. Combine sifted ingredients with bran, and nutmeats (the latter may be omitted). Beat egg slightly; add honey, milk, and shortening; combine with flour-bran mixture; mix just enough to moisten all flour. Pour into well-greased muffin pans, filling two-thirds full. Bake in moderately hot oven (425° F.) 25 to 30 minutes, or until done. Makes 16 large muffins.

And here's another way to turn a cereal product into something so tasty the whole family will call for more:

FRESH LEMON OATMEAL COOKIES

1 cup enriched flour	½ cup brown sugar, firmly packed
1 tsp. baking powder	1 egg
½ tsp. salt	6 tbsps. milk
¼ tsp. soda	2½ tsps. grated lemon peel
1¾ cups regular rolled oats	½ tsp. vanilla extract
½ cup shortening	

Sift and measure flour; sift again with baking powder, salt and soda. Add oats. Cream shortening and sugar together until light and fluffy. Add egg to creamed mixture, beating well. Add flour mixture and milk alternately, mixing well after each addition. Add lemon peel and flavoring. Drop by teaspoonfuls on lightly greased cookie sheet. Decorate each cookie with diamond-shaped wedges of lemon peel arranged in a three-leafed design. Bake in moderate oven (375° F.) 15 minutes or until lightly browned. Remove cookies immediately to rack; cool; store. Makes about 3½ dozen.

Of course there are other ways to use cereals excitingly—more ways than you can shake a stick at! Just for example, here are some "cereal ideas":

To achieve an unusual texture in breading meats such as veal chops, and in casserole toppings, use crumbled prepared cereals.

To make a "cereal dessert ring", melt ⅓ cup butter or margarine in heavy frying pan, add 1½ cups brown sugar and cook until bubbles form. Pour over 6 cups heated cornflakes or puffed cereals, mixing well. While hot, pack into 9-inch ring mold. Serve with ice cream or your favorite frozen dessert. Serves 8.

To stretch meat or fish loaves or patties, use crumbled prepared cereals such as corn flakes, puffed cereals, etc. or rolled oats (1½ cups cereal for each 2 lbs. of meat or fish).

BROWN POINTS FOR WASTE FATS

For every pound of fat a housewife turns in to her meat dealer or other fat salvager, she receives two meat points. "But most important," Herbert M. Faust, director of WPB's Salvage division said, "within a month the fat will be transformed into war materials and on the way to the fighting fronts." He reminded housewives to save the grease from turkeys, geese, ducks, and chickens, for the manufacture of war products.

CANNING SUGAR NOW AVAILABLE

Housewives may now get 5 pounds of canning sugar by using Stamp No. 40 in War Ration Book Four, OPA has announced, and additional canning sugar later will be available on application to local boards. Stamp No. 40 will be good 13 months, through February 28, 1945.

For That St. Patrick Party

By BETTY BARCLAY

With shamrocks deck your festive board
Load well your table from your hoard
Light up your pipe—of briar or clay
And celebrate St. Patrick's Day.

Spinach with Horseradish Dressing

2 lbs. spinach
¼ cup salad oil
2 hard-cooked eggs, chopped
2 tablespoons shortening
3 tablespoons flour
1 cup milk
1 beaten egg yolk
2 tablespoons lemon juice
¾ teaspoon salt
¼ teaspoon paprika
1½ tablespoons grated horseradish

Wash and clean spinach carefully. Cook without adding more water than that which clings to the leaves. When half done, add oil and continue cooking until tender. Drain, chop coarsely and add chopped cooked eggs. Melt shortening and add flour and stir until smooth. Gradually add milk and cook until smooth and thick, stirring constantly; stir in the beaten egg yolk. Add lemon juice, salt, paprika, and horseradish, mix thoroughly. When all ingredients are heated through, remove from stove and pour over spinach mixture and serve hot. Serves 4 to 6.

Scalloped Grape-Nuts and Potatoes

2 tablespoons butter
4 tablespoons flour
1½ teaspoons salt
¼ teaspoon pepper
2 cups milk
3 cups thinly sliced raw potatoes
2 cups thinly sliced onions
¾ cup Grape-Nuts
2 tablespoons melted butter or bacon fat

Melt butter in saucepan; add flour, ½ teaspoon salt, and pepper and stir to a smooth paste. Add milk slowly, stirring until mixture is smooth; then cook 5 minutes, or until thickened, stirring constantly. Arrange potatoes and onions in alternate layers in greased 2-quart baking dish, sprinkling with salt and moistening each layer with white sauce. Bake, covered, in moderate oven (350° F.) 1 hour and 15 minutes. Sprinkle with Grape-Nuts, mixed with butter. Continue baking, uncovered, 15 minutes, or until browned.

BUBBLE-DANCER — is U. S. war slang describing a dish washer. Even a dish washer has wartime duties. Yours is to work and buy more War Bonds in the 3rd War Loan.

Scalloped Potatoes and Frankfurters. Cut 2 frankfurters in thin slices and arrange in alternate layers with potatoes and onions.

Shamrock Rennet-Custard

1 rennet tablet
1 tablespoon cold water
2 cups milk (not canned)
9 fondant mints (4½ oz.)
Few drops green coloring

Set out 4 or 5 dessert glasses. Crush and dissolve rennet tablet in cold water. Crush the mints and dissolve in milk. Add green coloring. Warm slowly, stirring constantly. Test a drop on inside of wrist frequently. When COMFORTABLY WARM (110° F.) not hot, remove at once from heat. Add dissolved rennet tablet and stir quickly for a few seconds only. Pour at once, while still liquid, into individual dessert glasses. Do not move until firm—about 10 minutes. Chill. When ready to serve, outline shamrock design, using pastry tube filled with chocolate butter frosting (approximately ½ cup).

Toastaroons

6 cups Post Toasties (corn flakes)
1 can (14 or 15 ounces) sweetened condensed milk

Combine Toasties and condensed milk, mixing lightly. Drop from teaspoon on greased baking sheet; flatten slightly, shaping edges with spoon. Bake in slow oven (325° F.) 12 to 15 minutes, or until done. Remove from baking sheet immediately, using knife or spatula. To keep cookies from sticking, hold pan over very low flame for a few seconds. Makes about 40 cookies.

St. Patrick's Day Coffolate

1 cup strong decaffeinated coffee
2 squares unsweetened chocolate
3 tablespoons sugar
Dash of salt
3 cups milk

Make decaffeinated coffee extra-strength using 1½ tablespoons for each cup (½ pint) water. Add chocolate to coffee in top of double boiler and place over low flame, stirring until chocolate is melted and blended. Add sugar and salt, and boil 4 minutes, stirring constantly. Place over boiling water. Add milk gradually, stirring constantly; then heat. When hot, beat with rotary egg beater until frothy. Serve hot. Serves 4.
